

Caribbean HELICOPTERS

EXPLORE NEW HEIGHTS

*A trip to the Montserrat Volcano?, Island hopping?, Golf?, Shopping?
Whatever your dreams, let Caribbean Helicopters help make it a truly
unforgettable experience.*

MONTSERRAT VOLCANO TOUR

Simply the most exciting tour in the Caribbean! A chance to see the live Soufrière Hills Volcano and the surrounding exclusion zone from the safety and comfort of a Bell helicopter. Includes views of the crater, pyroclastic flows, and the former capital of Plymouth, which in some places has been buried under 40 feet of ash! **50 mins**

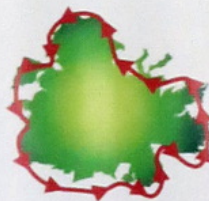

ANTIGUA HALF ISLAND TOUR

Combine the exhilaration of a helicopter flight with the amazing tropical scenery of the South West coast of Antigua. Includes Cades Reef, Rendezvous Bay, Half Moon Bay and English Harbour. **20 mins**

ANTIGUA FULL ISLAND TOUR

See more of Antigua in 30 minutes than most visitors see an entire vacation. This tour includes dramatic overhead views of most of Antigua's hotels and historic sites, along with over 50 miles of translucent tropical waters, reef systems and, of course, 365 of the best beaches in the world! **30 mins**

BARBUDA TOURS

See our sister island from above, spend the day, or enjoy an intimate lunch on one of Barbuda's secluded pink sandy beaches – either way Barbuda is an experience you won't forget.

ISLAND DAY TRIPS

Custom day trips for up to 6 people available to the following neighbouring islands: St. Kitts, Nevis, Montserrat, St. Maarten, St. Barth's, St. Eustatius, Anguilla, Guadeloupe.

Your own private helicopter, customized personal schedule, direct flights-no hassle-just total relaxation.
